Start on the highest value the market will bear to usher in the largest earnings, and plan to low cost the e-book a number of instances all through the year.

single sentence that turns into your promoting handle. This sentence states what question or problem your ebook answers and the advantages your book can provide. Then remember to use that sentence in each piece of sales and promotional materials, and every time anybody asks you about your ebook.

your current customers. If these customers have already purchased an ebook from you, ask for their opinion when it comes to price. Do this by making a sales web page for the new guide, however do not embrace a value on that page. As a substitute, add quite a lot of links to survey questions that ask pointed questions to assist you in assigning a worth to your ebook.

One other strategy is to test out prices by making a variety of duplicate sales pages with completely different prices on every page. Make sure your sales copy is strictly the identical on every page, and includes your selling-handle sentence. Then figure out for each web page the conversion ratio between guests to your site and gross sales of your book. It will inform you what your optimum value is.
