An efficient method for determining a worth is to ship out a survey to your present customers. If these clients have already purchased an book from you, ask for their opinion in terms of price. Do that by creating a sales page for the new e book, but do not include a price on that page. Instead,

add quite a lot of hyperlinks to survey questions that ask pointed questions to assist you in assigning a worth to your ebook.

Another strategy is to check out costs by making a variety of duplicate sales pages with totally different prices on every page. Be certain your gross sales copy is exactly the identical on every web page, and includes your selling-deal with sentence. Then work out for each web page the conversion ratio between guests to your site and gross sales of your book. It will inform you what your optimum price is.

Finally, in the event you've written a e-book that solves a problem or presents a brand new approach, your e-book will herald each site visitors and profits.
