creating a sales page for the new ebook, but do not embody a value on that page. Instead, add numerous links to survey questions that ask pointed questions to assist you in assigning a value to your ebook.

One other technique is to check out prices by creating a variety of duplicate gross sales pages with completely different prices on every page. Make sure your sales copy is strictly the identical on every page, and contains your promoting-deal with sentence. Then figure out for every web page the conversion ratio between guests to your web site and gross sales of your book. It will inform you what your optimum worth is.
